

**Villa Escalesia** is located in Puerto Ayora and one of very few private homes available for exclusive hire. This is a spacious, locally-designed villa offering all the creature comforts of home; a stunning base for a Galapagos holiday and the layout lends itself perfectly to groups of friends or extended families looking for an alternative to a hotel; it is also a magnificent location for weddings and special occasions.

Located on the waterfront overlooking Pelican Bay, the villa accommodates up to 8 guests with a further 4 guests in the annexe, ideal for children sharing. The villa enjoys its own private walled garden at the front and to the rear, a pool-side bar, infinity pool, whirlpool, steam bath and sun deck giving the freedom of indoor / outdoor living.
